In a medical emergency every second counts, especially when transporting patients who are far away from adequate medical treatment. AMCN providers respond to scene calls and provide hospital-to-hospital transports—carrying seriously ill or injured patients to the nearest appropriate medical facility.

ABOUT AIRMEDCARE NETWORK

AirMedCare Network is America's largest air medical membership network, providing financial coverage for emergency air medical transport. Even with medical insurance, air medical transport can result in significant out-of-pocket expenses, however an AMCN membership ensures no out-of-pocket expenses for medically necessary flights only if flown by an AMCN provider.

ADD FLY-U-HOME FOR EVEN MORE PROTECTION

Additionally, you can travel without worry with Fly-U-Home—a must-have membership for frequent travelers or those who may be flown a great distance for treatment in a medical emergency. Membership starts at just \$140 for existing AMCN members and provides access to a fleet of medically equipped, private aircraft ready to transport you to your local hospital of choice, should you become hospitalized more than 150 nautical miles from home. And like an AMCN membership, you'll have no out-of-pocket expenses in relation to your flight. Fly-U-Home handles everything, so you can recover closer to home.

JOINING IS EASY!

Not only does AMCN membership provide financial protection, our 3+ million members help support the healthcare needs of the community as a whole. Our mission is to make it possible for people living in rural areas to get the life and limb saving emergency care they need, when they need it.
