Great Rides!

Enjoy daily rides with like-minded cyclists in the beautiful Paso Robles area. There are over 200 wineries in the Paso Robles area, nestled in hillsides one of California's best winery regions. Take time to appreciate vineyard studded hills, shady country roads, and good food! Paso Robles is just 30 minutes from the coast and you can ride there too.

Routes will likely include Peachy Canyon, Templeton wineries, Mission San Miguel, Parkfield, Hog Canyon, Sculpterra Winery, and a Cambria/coast ride. The provisional rides can be found at

Tentatively, there will be longer rides on at least 5 days (over 45 miles) and shorter rides (30ish miles or less) on 3 or more days. One or more metric rides (65 mile) is also planned. Most rides will leave from Paso Robles, Templeton, or San Miguel. There will be at least one club-led ride daily.

Membership Required. If you are not a SEBC member, you must join the club to attend. All riders must be SEBC members. Click here to join the club:

Cost: The \$20 charge helps pay for supplies, snacks, city park reservations, and materials. Sorry, no refunds as we must reserve picnic areas and buy snacks in advance.

Lodging: Everyone is responsible for their own lodging reservations. Camping/RVing consists largely of RV 'resorts.' One of the more reasonable RV camps was Sun Outdoors Central Coast Wine Country, 2500 Airport Rd, Paso Robles. Rates were from \$50 to \$65 plus tax, fees, etc. They also had cabins and cottages from \$132. 805.238.4560. There are multiple additional camping locations, hotels, Airbnbs, VRBOs, etc. Paso Robles is popular!

Your help co-leading a ride, setting up for the social, or ideas for dinner are appreciated! Please contact kathompson111@gmail.com if you can help
